The raw beauty box story

We value quality

100% RECYCLED PACKAGING

At Raw Beauty Box, we are committed to protecting our environment. With this in mind, all of our products come in 100% recycled packaging.

100% PALM OIL FREE & VEGAN FRIENDLY

All the gorgeous bath and body products sold by Raw Beauty Box have been developed using the freshest ingredients possible.

NO NASTY CHEMICALS OR ARTIFICIAL COLOURING

Our products are gentle and free from harsh chemicals while offering vibrant hues and a delightful aroma.

"Share the self-love"

About us

Raw Beauty Box is a conscious bath and body self-care range, born from a love of natural, nourishing self-care products and concern for our environment.

We offer vibrant, nourishing bath and body products that are gentle, free of harsh chemicals and made with high quality natural ingredients.

We keep the health of our customers and the environment front of mind in everything we do.

UNDERSTAND YOUR TEAM

Employee morale

WORK-LIFE BALANCE

Employees are taking control of their work-life balance. Promoting wellbeing and self-care is at the core of many contemporary businesses looking to support staff.

PURPOSE & VALUE

Employees want to feel valued, be passionate about their work, and have opportunity for growth. Show that you value them as individuals beyond their role.

GOING ABOVE & BEYOND

Employers who go above and beyond for their team, in return get employees who go above and beyond for the business.

Experience is everything

73%

of consumers want to reduce the impact they personally have on the environment.

72%

of consumers are willing to pay extra for products that are sustainable and/or environmentally responsible

84%

of consumers chose Australian Made over other alternatives

90%

of consumers believe Australia should produce more products locally

92%

of consumers trust the Australian Made logo

Our Products

FIND THE BEST GIFTS FOR YOUR TEAM

Our range

Give your team incredible products that are free from harsh chemicals, parabens, artificial colours and palm oil. We've removed the nasty chemicals but kept the fun! Our products are coloured naturally, bursting with gentle, skin-loving ingredients.

Your team will LOVE you when they receive their eco-friendly goodies. We minimise plastic and use eco-friendly, local packaging where possible. Our mailers and dust pouches are home compostable (for those real eco conscious lovers).

Support local

Australian Made, Owned & Operated

Caring for the locals and the environment is important. Our range is healthy, fun, sustainable, sourced locally and Australian Made.

All operations and staff are based here in Australia and our workforce is 80% female.

When you buy from Raw Beauty Box you are supporting Australian business

GIVE BACK

We Partner with meaningful causes

From the beginning, we became a community partner with The Orangutan Project. This is a project that is very close to Founder, Marcus' heart.

In 2021, we commenced a new partnership with Beddown who provide safe sleeping spaces for the homeless.

Earth-friendly packaging

100% of our orders are posted in eco-conscious packaging including wood wool, biodegradable packing peanuts, recycled cardboard boxes and home compostable mailers from Heropack.
